## **Privacy Policy:**

**Your privacy is very important to us; we have developed and adopted this policy in order for our users to understand how we collect, use, communicate and make use of personal information. The following outlines our privacy policy**

## **WHAT PERSONAL USERS INFORMATION NBN COLLECTS?**

We receive and store certain types of information whenever you interact with us.

We may use information as to your location and your mobile device. Most of the existing mobile devices allow you to turn off location services.

## **HOW WE USE YOUR PERSONAL INFORMATION?**

We may use personal information for internal purposes such as auditing, data analysis, and research to improve our App, services, and customer communications.

We may collect information such as occupation, language, zip code, area code, unique device identifier, referrer URL, location, and the time zone, so that we can better understand customer behavior and improve our App.

We may collect and store details of how you use our services, with your explicit consent; we may collect data about how you use our app in order to assist in improving our app.

## **SECURE INFORMATION**

We work constantly to protect the security of your information during transmission by using Secure Sockets Layer (SSL) software, which encrypts information you input.

Cookies are unique identifiers that we transfer to your mobile device to enable our systems to recognize your device and to provide features such as personalized advertisements, recommended for you.

Our App may include third – party advertising, including personalized or interest-based ads.

## **INFORMATION**

NBN gives you access to a broad range of information concerning your account and your interaction with us for the limited purpose of viewing and, in certain cases, updating that information.

## **OTHERS**

It may be necessary – by law, legal process, litigation, and/or requests from public and governmental authorities within or outside your country of residence – for **NBN** to disclose your personal information. We may also disclose personal information if we determine that for purposes of national security, law enforcement, or other issues of public importance, disclosure is necessary or appropriate.

## **PRIVACY QUESTIONS**

If you have any concerns or questions as to the NBN Privacy Policy or data processing or if you would like to make a complaint, please contact us at [medical@inmanage.co.il](mailto:medical@inmanage.co.il)

From time to time NBN updates its Privacy Policy.
